

# Lights! Camera! Action!

## On-Camera Intensive for Young Actors

*Brought to you by the Youth Acting Program at the Lankershim Arts Center*

**August 3rd - 7th 2009**

**"This is one of the coolest intensives I've ever taken. You feel like you're really part of the set with make-up, props, and an entire crew working with you."**

Amanda Radaker

**"A class that will teach you valuable lessons for the real world and teach you to be your unique self."**

Ryan Salwak

**The On-Camera Intensive** one-of-a-kind program that sharpens young actor's skills in front of the camera by teaching them skills necessary for **both sides of the camera**.

Students will not only rehearse and perform on camera, but they will also work as hands-on apprentices alongside professional camera, lighting and audio crews to actually co-produce the scenes of their fellow students.

Graduates will come away with **two-camera** High Definition footage directed by an award winning director as well as a maturity, appreciation and understanding of the entire production process. This level of set presence is a clear advantage that other actors simply don't have.

For an additional fee, the material can be edited by one of our Professional Editors.

- Small classes. Eight actors per instructor.
- Learn On Camera Acting Techniques.
- Work in front of **two cameras** and hands-on behind the scenes.
- Meet and work with industry professionals such as Casting Directors, Professional Actors, Session Runners and Professional Camera Operators.

*Register before May 23 and get receive a Bonus Private Coaching Session (\$125.00 value)*

**Course Fee:**

\$1,350.00 includes raw footage shot by two cameras.

\$1,600.00 includes raw footage and scene editing by a Professional Editor.
